

ITEMS ACCEPTED

The following items should be packed in this order, as this is the order in which the stations will appear, starting with items that should be placed on top:

- Fluorescent bulbs
- Hazardous Waste
- Tires of all sizes.
- Children's items, such as books, toys and clothes.
- Reusable household goods. Almost anything that is in good shape may be left at the reuse area.
- Electronics including computers and computer-related equipment, televisions, phones, fax and copier machines .
- Cell phones.
- Bicycles functional or non-functional.
- Metals-these items will be stripped down, so anything you have that includes a significant amount of metal should be left here. Even better, strip it down before you bring it!
- Lawn mowers and snow blowers.
- Construction debris and architectural salvage (anything that comes off your house).
- Mattresses, carpets and other materials not accepted at other stations
- Concrete and rock including patio blocks and other items that are not pure concrete must go to construction debris.
- appliances
- Hazardous Waste - antifreeze, car batteries, propane tanks, oil, or paint need special handling for disposal. Call 651-633-EASY to find the nearest household hazardous waste drop-off facility.

ITEMS NOT ACCEPTED

- -Recyclables - paper, plastic, glass, cardboard, etc. can be set out for Friday regular recycling pick-ups.
- Household refuse - will be picked up by your trash hauler.
- Brush & Compost - Call 651-633-3279 for a drop-off site nearest you.
