Dear Community Member,

The Highland District Council would like to invite you to a Question and Answer session on Pipeline Safety. Due to the recent house explosion on Villard Ave, many residents have questions about the safety of gas lines in Highland Park. The District Council has set up an informational meeting to have those questions answered.

We have invited:

- Xcel Energy
- Minnesota Office of Pipeline Safety
- City of St Paul -Public Works
- Fire Marshall –Public Information Officer
- Fire Chief—Tim Butler

**This issue goes beyond Highland Park, all are welcome to attend.**

If you have any questions please contact Kathy Carruth at the Highland District Council Office at [hdc@visi.com](mailto:hdc@visi.com) or call 651-695-4005.
