

## **Bicycle Pick-Up**

Saint Paul residents who observe an abandoned bicycle in their neighborhood for more than 5 days are encouraged to contact the Community Partnerships Unit (CPU).

Volunteer Reserve Officers will be assigned to pick up abandoned bicycles within a reasonable amount of time and take them to city impound lot for safe-keeping. Bicycle serial numbers (if available) will be compared to our stolen bicycle database. Please fill out this [BICYCLE PICK-UP FORM](#) and submit, or contact the CPU at 651.266.5485.
