## 3 Alternative Schemes

Alt #1: The Bridge

Alt #2: The Path

Alt #3: The Destination

- All schemes make the site more **visible** with a welcoming entrance
- All schemes create **universal access** from the bluff to the floodplain
- All schemes locate major buildings **out of the floodplain**
- All schemes place major new elements (islands, buildings) on disturbed land and **improve the ecology**

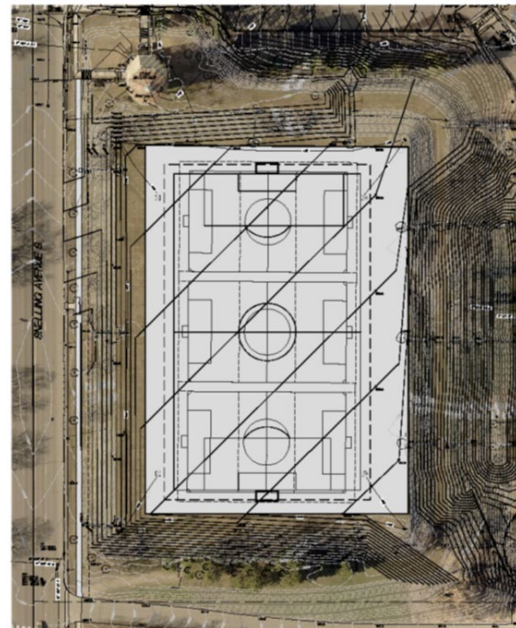

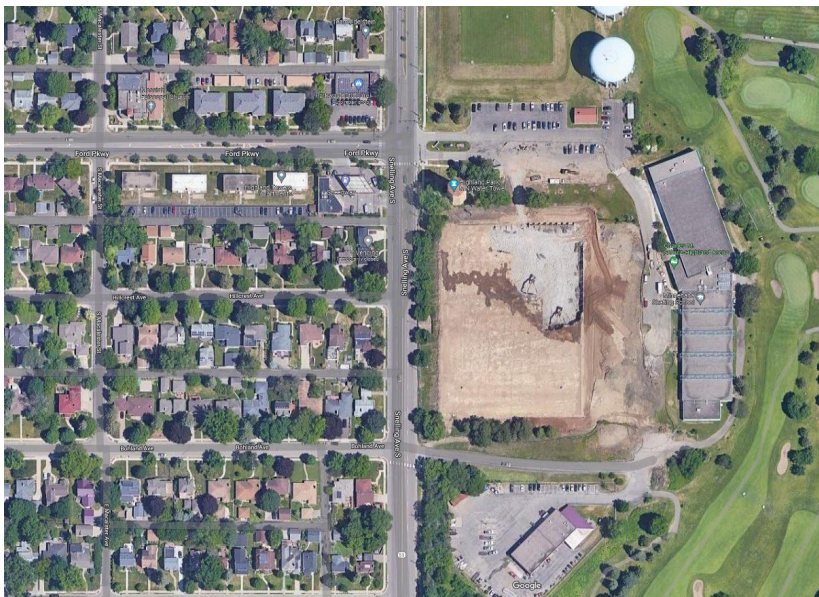

# Highland Reservoir

**Construction complete and awaiting permit close-out.**

# Hamline Avenue Sidewalk

**Request of Ward 3 to provide pedestrian  
connection from Highland Parkway to  
Montreal Avenue.**

**8' wide asphalt path**

# Mississippi Gorge Regional Park Master Plan

**Master Plan for Mississippi Gorge Regional Park from western city boundary (Emerald Street) to Ford Parkway**

**Funding available July 1, 2022 and yet to be assigned to Project Manager**

**Grand Round Kiosk under construction at MRB and Pelham**
