Resolution in Support of Wandering Leaf Taproom -All Licenses

Whereas Wandering Leaf Taproom at 2463 West 7th Street would like to open in the Sibley Plaza Shopping Center during the spring of 2023; and

Whereas the Highland District Council's Community Development Committee held a community meeting on November 15, 2023, with the Co-Owners of the proposed taproom to discuss their license application; and

Whereas the applicants are asking for a Malt On Sale (Brewery Taproom), Malt off Sale (Growler/Crowler), Liquor on Sunday, and an Entertainment (B) license(s); and

Whereas the business model and concept all fit within the Shepard Davern small area plan; to *Attract more neighborhood serving businesses to the area, to better serve the needs of residents in the area* and to attract *High quality design in commercial redevelopment*; and

Whereas the hours of operation, building improvements, and the inclusion of an attached restaurant are all features that the neighborhood supports; and

Whereas a taproom is unique to the Highland Park neighborhood and this is a high quality design with the inclusion of living walls and 288 square feet of planters space, as well as an outdoor patio space; therefore

Be it resolved, that the Highland District Council Community Development Committee supports the license application of Wandering Leaf Taproom for Malt On Sale (Brewery Taproom), Malt off Sale (Growler), Liquor on Sunday, and an Entertainment (B) license(s) to the proposed location at 2463 West 7th Street.

Adopted on November 15, 2022

By the Community Development Committee of the Highland District Council
